

NOTICE OF CANCELLATION OF ASIA PRACTITIONERS SEMINAR 2021

Dear all,

JPAA IP Practitioners Seminar began in 2007 to enhance the IP activities in Southeast Asia, and we organized the last seminar in Phnom Penh, Cambodia in February, 2019. We were preparing to organize the next one in early 2021, however, we committed to ensuring the health and safety of all of the attendees from the extraordinary circumstances related to the novel Coronavirus (COVID-19) outbreak and decided to cancel the seminar in 2021.

We do not have any specific plan for the next one, however, hope to organize it safely and welcome you in the near future after the things settled down.

Yours Sincerely,

Yoshihiro Shimizu

President

Japan Patent Attorneys Association
