

Declaration of Support for Diversity and Inclusion

The Japan Patent Attorneys Association declares its commitment to ensuring and enhancing diversity and inclusion.

The Japan Patent Attorneys Association (JPAA) supports the concept of diversity and inclusion—aiming to build a society in which all people who have diverse skills, experiences and values are fairly evaluated regardless of their races, nationalities, religions, genders, ages, abilities, sexual orientations and/or any other reasons, and everyone respects others' dignities, diverse values and ways of life.

Recognizing human resources as assets that serve as the driving power for continued creation of new values, the JPAA hereby declares its continued commitment to promoting diversity and inclusion.
